CELEBRATION OF DREAMS

2023 Fundraising Donation Request

Dear Friend of the Center,

The Northern California Center for Well-Being is a 501c (3) non-profit organization committed to empowering health and wellbeing for everyone in our community. For almost 30 years we have radically improved quality of life through our evidence-based programs and services, and each year we serve **25,000** community members.

We help individuals and families of all ages thrive, and our programs include specialty clinical services like medical nutrition therapy and Sonoma County's only cardiac rehab – in addition community-based programs like family and senior health education, youth leadership development, school-based physical activity, tobacco prevention, and community health worker training and engagement – all of which help us achieve our mission of advancing health equity in Sonoma County!

Best of all – because of the generous support of donors like you – all of our programs and services are FREE for all who need them.

This year we are launching our first in-person fundraiser since the pandemic – Celebration of Dreams – and **the Center requests a donation from you that we could include in our silent and live auctions.** All proceeds from the auctions will help raise funds for the Center's scholarship fund and outreach programs.

To donate to us, or for more information about the Center for Well-Being and how our services can be of assistance to you and your company, please don't hesitate to reach out!

Thank you in advance for your support a healthier Sonoma County for ALL!

Sincerely,

Karissa Moreno, MA
