

When October 19th

Where
The Backdrop
Santa Rosa

Time 5pm-9pm

We invite you to join us for an evening dedicated to gratitude and celebrating the many partners who have worked in harmony to reach this significant milestone.

Dear Friend of the Center,

The Northern California Center for Well-Being is a 501c (3) non-profit organization committed to empowering health and wellbeing for everyone in our community. For 30 years we have radically improved quality of life through our evidence-based programs and services, and each year we serve 25,000 community members.

We help individuals and families of all ages thrive, and our programs include specialty clinical services like medical nutrition therapy and Sonoma County's only cardiac rehab – in addition to community-based programs like family and senior health education, youth leadership development, school-based physical activity, tobacco prevention, and community health worker training and engagement – all of which help us achieve our mission of advancing health equity in Sonoma County!

Best of all – because of the generous support of donors like you – all of our programs and services are FREE for all who need them.

This year we are commemorating our 30th anniversary and the Center requests a donation from you that we could include in our silent and live auctions. All proceeds from the auctions will help raise funds for the Center's scholarship fund and outreach programs.

To donate to us, or for more information about the Center for Well-Being and how our services can be of assistance to you and your company, please don't hesitate to reach out!

Thank you in advance for your support a healthier Sonoma County for ALL!

Sincerely,

f Moreno

Karissa Moreno Executive Director

INVEST IN HEALTH AND WELL-BEING!

The Northern California Center for Well-Being is a 501c (3) non-profit organization committed to empowering health and wellbeing for all. For 30 years we have radically improved quality of life through our evidence-based programs and services, and each year we improve the lives of 25,000 community members. Our programs include medical nutrition therapy, cardiac rehab, family and senior health education, youth leadership development, school-based physical activity, tobacco prevention, health awareness campaigns, and community health worker training – all of which help achieve our mission of advancing health equity for all! Your investment enables us to do more for more people – as all of our programs are provided in English and Spanish, and they are offered to everyone, regardless of ability to pay.
